3. Class types and activities

Reading assignments

Class discussion/lecture will be based upon the readings listed in this syllabus for each day and will extend the materials from time to time. Each class requires a high degree of participation. Therefore, it is critical that you complete the reading assignment before class so that you will understand the material presented in class and can contribute to the discussion if it happens.

Class Notes

Course notes are available for lectures prepared by the instructor. These course notes are NOT a replacement for your own notes; they are meant to help you organize your notes and keep up with the lecture. There will be many details discussed in class and textbook that will not be included on the notes, and you will be responsible for these details on the exam.
